Asgard eWRAP Super/Pension

1 July 2019

Updating the information in the Asgard eWRAP Super/Pension Product Disclosure Statement and Additional Information Booklet

This update, dated 1 July 2019, relates to the Asgard eWRAP Super/Pension Product Disclosure Statement (as updated or supplemented) (PDS) and Additional Information Booklet (AIB). This update is issued by BT Funds Management Limited ABN 63 002 916 458 AFSL No. 233724, the trustee and issuer of Asgard eWRAP Super/Pension, and should be read together with the PDS and AIB (as updated).

Changes to references to your Cash Account

All references to 'Cash Account' in the PDS and AIB are replaced with 'Transaction Account'.

Within section 3 of the PDS, the heading 'Your Cash Account' and the first two paragraphs are deleted and replaced with the following:

Your Transaction Account

When you open an Asgard eWRAP Super/Pension account, a Transaction Account is automatically established for you and acts as the main transaction account inside your Asgard eWRAP Super/Pension account. The Transaction Account is used to settle your managed fund, term deposit and listed security transactions. Interest accrues daily on your balance held in the Transaction Account, and is credited to your account quarterly in arrears so your money is working for you even between investments. Interest on the Transaction Account is calculated at a variable rate determined by the Administrator. The Transaction Account is transactional in nature and is not intended to be used as an investment option.

Fees and other costs

Within the 'Fees and other costs table' in the 'Fees and other costs' section, the row titled 'Indirect cost ratio' is replaced with the following:

Indirect cost ratio⁴	<p>Transaction Account fee (for the Transaction Account only)</p> <p>This is the amount the Administrator⁵ earns for managing the amount held in your Transaction Account.</p> <p>It is equal to the amount we earn in relation to the funds held in your Transaction Account, less the interest⁶ amount that we credit to your Transaction Account.</p> <p>We estimate the Transaction Account fee to be approximately 1.47% pa, although the actual fee may vary from time to time. This estimate is based on the average fee for the financial year ended 30 June 2018. For the latest Transaction Account fee please contact our Customer Relations team.</p>	<p>The Transaction Account fee is not deducted from your Transaction Account.</p> <p>It accrues daily and is deducted on a quarterly basis in arrears from the interest earned by the Administrator on the underlying bank accounts the Administrator maintains with Westpac.</p>
--	--	---

⁴ Fees and costs are payable to the investment managers of the underlying investments. The amount you pay for specific underlying investments is shown in the List of Available Investment Options booklet and the disclosure documents for each underlying investment. For more information, see the 'Additional explanation of fees and other costs' section in this PDS.

⁵ The Transaction Account Administrator is BT Portfolio Services Limited ABN 73 095 055 208 (BTPS). BTPS is a related body corporate of Asgard and BTFM.

⁶ The declared interest rate may change from time to time but will be greater than 0%. The current interest rate is available online through Investor *Online*. Alternatively, you can contact your adviser or our Customer Relations team to confirm the current interest rate you will receive on the amount held in your Transaction Account.

Minimum pension income

The section under the heading 'Minimum pension income' in the AIB is updated by removing the following text:
"or increased in line with inflation (if so nominated)"

Changes to superannuation law

Cap on administration and investment fees of 3% for balances less than \$6,000

To reflect that a cap is applied to administration and investment fees, including indirect costs, where your account balance in Asgard eWRAP Super/Pension is less than \$6,000, the following information is added to the PDS.

Within the 'Fees and other costs section' of the PDS, add the following to the end of the section titled 'Fees and other costs':

Note: If your account balance in Asgard eWRAP Super/Pension is less than \$6,000 at the end of the financial year or at the time of exit, the total combined amount of administration fees, investment fees and indirect costs charged in the financial year is capped at 3% of your account balance. Any amount charged in excess of this cap will be refunded.

Introduction of minimum account balance following a withdrawal or rollover

To reflect that Asgard eWRAP Super/Pension has introduced a minimum balance of \$10,000 following a withdrawal or rollover, the following information is added to the PDS.

Add a new paragraph to the end of the section titled 'Withdrawals – accessing your super' in the PDS as follows:

The minimum balance that must remain in your account after a withdrawal or rollover is \$10,000. If you request a withdrawal or rollover that would result in your account balance falling below \$10,000, we may reject your request.

Introduction of the requirement for certain members to opt-in to insurance

To reflect changes to legislation regarding insurance through super, the following information is added to the AIB.

Add a new paragraph to the end of the section titled 'Insurance fees' in the AIB as follows:

Changes to the government's rules regarding insurance through super means that from 1 July 2019, we can't provide insurance cover through your Asgard eWRAP Super account where no contributions or rollovers have been received for 16 continuous months. In these circumstances if you want to keep the insurance cover you have on your account, you must 'opt in' by electing to retain your insurance. If you don't 'opt in', we'll have to cancel the insurance cover on your account. If your insurance cover is cancelled and you then decide you want it back, you may be able to reapply for cover. To change or cancel your insurance, you can contact us on 1300 657 010.

Changes to unclaimed money

To reflect changes to legislation regarding unclaimed money in super, the following information is added to the AIB.

The first paragraph of the section titled 'Unclaimed money' in the AIB is deleted and replaced with the following:

In some circumstances, if an amount is payable to you or your dependant(s) and we are unable to ensure that you or your dependant(s) will receive it, we may be obliged to transfer the amount to the ATO. We may also be required to transfer your account balance to the ATO if you become a 'lost member' or an 'inactive low balance member'.

Ban on exit fees in super

Temporary residents

Within the 'Other information' section of the AIB, the information under the section 'Temporary residents' heading is deleted and replaced with the following:

A temporary resident is a holder of a temporary visa under the Migration Act 1958.

The Australian Government requires us to pay temporary residents' unclaimed super to the ATO after at least six months have passed since the later of:

- the date a temporary resident's visa ceased to be in effect, and
- the date a temporary resident permanently left Australia.

Applications to claim your benefit can be made using the ATO Departing Australia Superannuation Payment ('DASP') online application system. To access this system and full information regarding DASP procedures and current tax rates visit ato.gov.au.

You may also be able to access your benefit if you satisfied another condition of release under super law before 1 April 2009. For more information on conditions of release, please see the 'Withdrawals – Accessing your money' section of this AIB.

It is important to note that we do not allow temporary residents under age 55 to transfer money derived from a UK registered pension scheme to Asgard eWRAP Super/Pension. For more information on this restriction, refer to the 'Transfers from UK pension schemes' section of this AIB.

We are permitted under, and rely on, ASIC relief under Class Order CO 09/437 to not notify or provide an exit statement to a non-resident in circumstances where we pay unclaimed superannuation to the ATO under Division 3 of Part 3A of the Superannuation (Unclaimed Money and Lost Members) Act 1999.

Work test exemption

Within the 'Other information' section of the AIB, add the new section directly after the 'Temporary residents' section as follows:

Work test exemption

If you are aged between 65 and 74 you may make voluntary contributions where you do not satisfy the work test provided that:

- you satisfied the work test in the financial year prior to the financial year in which the contributions are made and
- you had a total superannuation balance of less than \$300,000 at the end of the previous financial year and
- no contributions have been accepted by a regulated superannuation fund in respect of you under the work test exemption in a prior financial year.

The exemption can only be used once in your lifetime.

Changes to your Superannuation

How could the superannuation reforms affect you?

The government has introduced some superannuation reforms which could impact your superannuation or pension account. To help you understand the changes, here's a summary of the major reforms.¹

Asgard

Contributing to Superannuation from the sale of your home when over 65

From 1 July 2018, if you are 65 or over you are allowed to contribute up to \$300,000 to your superannuation from the proceeds of selling your principal home, provided you have owned the home for at least 10 years. This is known as a downsizer contribution.

Am I eligible to make downsizer contributions?

You will be eligible to make a downsizer contribution on or after 1 July 2018 if all of the following criteria are met:

- > You're 65 or older at the time the contribution is made.
- > The contribution must be in respect of the proceeds of the sale of a qualifying property in Australia that either you or your spouse or former spouse owned for at least 10 years up to the date of sale. A qualifying property includes any dwelling in Australia other than a caravan, houseboat or mobile home.
- > The property must qualify for the partial or full main residence exemption for CGT purposes.
- > You must not have made downsizer contributions from the proceeds of an earlier sale of a main residence.
- > A downsizer contribution can only be made where the contract of sale is entered in to on or after 1 July 2018, and the superannuation contribution and ATO form are made within 90 days of receiving the proceeds of sale.

To make a downsizer contribution you'll need to go to <https://www.ato.gov.au/Individuals/Super/Super-housing-measures/Downsizing-contributions-into-superannuation/> to access the ATO downsizer contribution form.

Does a downsizer contribution count towards the non-concessional contribution cap?

No it will not be counted towards your non-concessional contributions cap. This means members with a total superannuation balance of \$1.6 million or more can contribute additional money to superannuation.

The downsizer contribution must be accompanied by the downsizer contribution form from the ATO, in order for it to not to be counted towards your non concessional contribution cap.

Downsizer contributions will also count towards your \$1.6 million transfer balance cap if commencing an income stream and may impact the asset test for the purposes of the Age Pension and other social security payments.

Please note that you are not able to claim a personal tax deduction on a downsizer contribution.

For more information refer to <https://www.ato.gov.au/Individuals/Super/Super-housing-measures/Downsizing-contributions-into-superannuation/>

¹ These changes apply to Asgard eWRAP Super/Pension, Asgard Infinity eWrap Super/Pension, Asgard Elements Super/Pension and Asgard Managed Profiles and Separately Managed Accounts – Funds Super/Pension.

First Home Super Saver Scheme

From 1 July 2017, first-home buyers are allowed to contribute up to \$15,000 p.a. (and \$30,000 in total) to superannuation for the purposes of a first home deposit. Contributions plus deemed earnings can be withdrawn from 1 July 2018. Couples can both access these contributions for a single deposit.

Am I eligible to make First Home Super Saver Scheme contributions?

You are eligible to make a First Home Super Saver Scheme contribution on or after 1 July 2017 if the following criteria are met:

- > You're 18 or older at the time the contribution is made,
- > You've never owned property in Australia (including vacant land or a lease of land, residential, investment or commercial property, and a company title interest) and,
- > You haven't accessed the First Home Super Saver Scheme contribution scheme before.

Which contributions can be withdrawn as First Home Saver contributions?

Only voluntary contributions, either concessional or non-concessional, made by you or your employer from 1 July 2017 are eligible to be withdrawn.

Voluntary contributions that are able to be accessed under the First Home Super Saver Scheme contribution scheme are capped at \$15,000 per financial year, and \$30,000 in total. This means if an individual makes \$20,000 in voluntary contributions in one financial year, only \$15,000 of these contributions can be released.

How do I withdraw First Home Super Saver Scheme contributions?

You will need to apply to the ATO directly to access savings under the First Home Super Saver Scheme contributions scheme. This will be facilitated via a new ATO form. The ATO will assess your eligibility and determine the amount that can be released from your superannuation based on contribution data reported by superannuation funds.

What happens if I successfully withdraw money from Superannuation under the First Home Super Saver Scheme, but don't purchase a residence?

You can either contribute the amount released back into your Superannuation account as a non-concessional contribution, or pay First Home Super Saver Scheme tax on the assessable amount released.

Please note that you are not able to claim a personal tax deduction on re-contributions of First Home Super Saver Scheme released amounts.

For more information refer to <https://www.ato.gov.au/Individuals/Super/Super-housing-measures/First-Home-Super-Saver-Scheme/>

Other Changes

Compassionate grounds condition of release

From 1 July 2018 you can apply for the early release of your superannuation on compassionate grounds through the ATO. The ATO may approve the release of your superannuation to cover expenses related to a serious medical condition or to prevent the forced sale of your home by your mortgagee.

BT Funds Management Limited registered address change

On 30 April 2018 the registered address of BT Funds Management Limited changed to Level 18, 275 Kent Street Sydney NSW 2000.

Preventing inadvertent concessional cap breaches

In the 2018 Federal Budget the government proposed the following change effective from 1 July 2018:

Individuals whose income exceeds \$263,157 and who have multiple employers can opt out of Superannuation Guarantee (SG) on their wages from certain employers, and receive additional income instead.

The measure will allow individuals to avoid unintentionally breaching the \$25,000 annual concessional contributions cap as a result of multiple compulsory SG contributions from different employers.

Supplementary Product Disclosure Statement (SPDS)

This SPDS, dated 30 September 2017, supplements information contained in the Product Disclosure Statement (PDS) dated 1 July 2014 for Asgard eWRAP Super/Pension (ABN 90 194 410 365).

This SPDS is issued by BT Funds Management Limited ABN 63 002 916 458 AFSL 233724 (BTFM). This SPDS replaces the SPDS dated 1 July 2017 and should be read together with the PDS. For further information, refer to the 'Updating the information in this PDS' section in the PDS. Unless otherwise stated or the context requires otherwise, words or expressions defined in the PDS have the same meaning in this SPDS.

This SPDS:

- A. contains updated information regarding fees and other costs
- B. outlines the requirements around having a 'Nominated Bank Account' linked to the Cash Account
- C. sets out information relating to the option of setting up an automatic reversionary nomination on an Asgard eWRAP Pension account, and
- D. sets out other important changes relating to information contained in the PDS.

A. FEES AND OTHER COSTS

On page 12, under heading 'Fees and other costs' replace the shaded box with the following:

Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long term returns. For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You may be able to negotiate to pay lower fees. Ask the fund or your financial adviser.

To find out more

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** website (www.moneysmart.gov.au) has a superannuation calculator to help you check out different fee options.

On page 12, replace the text under the shaded box from the subheading ‘Fees and other costs’ to the end of page 15 with the following:

Fees and other costs

This document shows fees and other costs that you may be charged. These fees and other costs may be deducted from your money, from the returns on your investment or from the assets of the superannuation entity as a whole.

Other fees, such as activity fees, adviser fees for personal advice and insurance fees, may also be charged, but these will depend on the nature of the activity, advice or insurance chosen by you.

Taxes are set out in the ‘What you need to know about super’ section in the PDS and the ‘How super is taxed’ section in the AIB. Insurance fees and other costs relating to insurance are set out in the product disclosure statement of the relevant insurance provider.

You should read all the information about fees and other costs because it is important to understand their impact on your investment.

The fees and other costs for each managed investment offered by the superannuation entity are set out in the List of Available Investment Options booklet and the product disclosure statement for each managed investment. Contact your financial adviser for a copy of the relevant product disclosure statement. Existing members can also obtain a copy of the relevant PDS through Investor *Online*.

The fees and other costs shown in this section do not take into account any income tax benefit (if applicable), unless otherwise stated, include GST and any applicable stamp duty and are net of RITC.

Example of annual fees and costs (\$50,000)

This table gives an example of how the fees and costs for accessing the Advance Balanced Multi-Blend Fund through this superannuation product can affect your superannuation investment over a one year period. You should use this table to compare this superannuation product with other platform superannuation products.

Example – Advance Balanced Multi-Blend Fund		Balance of \$50,000 ¹
Investment fees	Nil	For every \$50,000 ¹ you have in the superannuation product, you will be charged \$0 each year.
PLUS Administration fees	\$819.96 ¹ (Administration fee) + 0.1045% (Trustee fee) + \$170.60 ² (expense recovery)	And , you will be charged \$1,044.90 in administration fees.
PLUS Indirect costs for the superannuation product	1.45% (Cash account fee)	And , indirect costs of \$29.00 each year will be deducted from your investment.
EQUALS Cost of product		If your balance was \$50,000 ¹ then for that year you will be charged fees of \$1,073.90³ for the superannuation product.

This example is illustrative only and fees and costs may vary for your actual investment. The example only shows the fees and costs that relate to accessing investments through the superannuation product and not the fees and costs of the underlying investments. Additional costs will be charged by the issuers of those products that you decide to invest in. Please refer to the example below 'Example of total costs' that illustrates the combined effect of the fees and costs.

1. In this example, it is assumed that \$50,000 is held in the Advance Balanced Multi-Blend Fund and an additional \$2,000 is held in your Cash Account for the whole year (please refer to the 'Maintaining a minimum balance in your Cash Account' in the 'How your account works' section in the AIB to confirm the minimum amount required to be held in your Cash Account). As the amount is less than \$100,000, minimum fees of \$68.33 per month (or \$819.96 p.a.) are applied as the administration fee. As your account balance increases, the total administration fee you pay as a percentage of your account balance will decrease due to the tiered administration fee structure (as shown in the administration fee scale in the fee table in this section).

2. The Expense recovery is an estimate only. The exact amount deducted from your account will be confirmed in your periodic Investor Report.

3. This example does not take into account all the fees and costs that may apply to your account, for example: a) adviser fees, and b) transaction costs (that is buy/sell spread and brokerage). Refer to the 'Additional explanation of fees and other costs' section in the AIB for information about the fees and other costs that may apply.

a) The adviser fee is negotiated between you and your financial adviser and paid to your financial adviser.

b) The actual transaction costs incurred are dependent on the managed investments, term deposits and listed securities you decide to invest in.

Note: Additional fees may apply.

What you need to know about super

Super is a means of saving for retirement and is, in part, compulsory. It may be one of the biggest investments you make in your life. Most Australians have the right to choose the fund into which their employer should pay their super contributions. The Australian Government has provided tax savings and other benefits, which generally make super one of the best long-term investment vehicles.

How super works

Contributing to super

There are several types of super contributions – for example, personal, spouse, and employer contributions, as well as Government contributions. Generally, if you are under 65, your super fund can accept all of these types of contributions. Once you turn 65, some restrictions apply.

Both before and after you turn 65, limits (known as ‘caps’) apply to the amount of most contributions that can be made to your super. If you exceed a cap, additional tax may be payable.

You cannot add to your Asgard eWRAP Pension account once your pension has commenced, although you can consolidate your benefits and start a new pension. Consolidation of your benefits may have social security implications. We encourage you talk to your financial adviser first before requesting to consolidate your benefits into a new pension account.

Withdrawals – accessing your super

There are restrictions on when you can withdraw your super. Generally, you cannot access your super until you have:

- turned 65
- retired after reaching your preservation age (currently between 55 and 60, depending on your date of birth), or
- ceased employment after turning 60.

In limited circumstances, you can access your super before you retire if you meet a condition of release under superannuation law. For example, you may be able to access your super after reaching your preservation age through a non-commutable (transition to retirement) pension, even while still working.

❗ For more information on contributing to super and accessing your super, see the ‘How super works’ section in the AIB.

How super is taxed

To encourage superannuation savings, the Government has provided some distinct tax advantages (savings):

- You can invest ‘before-tax’ income through salary sacrifice.
- The income on your investment is concessionally taxed, with a maximum tax rate of 15%.
- Your benefits are tax-free if received after you turn 60.

There are generally three main taxes that apply to super:

- **Tax on contributions**
Some, but not all contributions are taxed in Asgard eWRAP Super account at 15%. If you’re classified as a high income earner, you may need to pay an additional 15% tax (known as Division 293 tax) on some or all of your contributions. If this applies to you, the Australian Tax Office will notify you after the end of the financial year.
- **Tax on income within the Fund**
Investment income and capital gains are:
 - taxed at a maximum rate of 15% in Asgard eWRAP Super account, but the actual rate may be lower
 - currently tax free in the Asgard eWRAP Pension account.
- **Tax on your super benefits**
 - If you are at least 60 years old, your lump sum benefits or income payments from Asgard eWRAP Super/Pension are tax free.
 - If you are aged under 60, see the following table.

How tax amounts due are paid

Tax is deducted from an account when it is required to be paid to the tax office or the account is closed. Tax instalments are generally paid to the tax office quarterly and there are also annual tax adjustments that apply to both super and pension accounts.

Tax File Number (TFN)

You should provide your TFN when you invest in Asgard eWRAP Super/Pension. Not providing your TFN will have tax consequences and will also affect the type of contributions you can make into your eWRAP Super account.

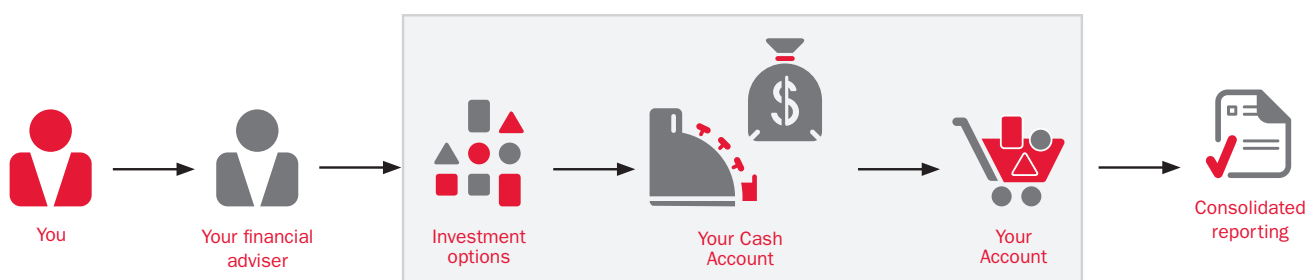

Tax treatment on payments to you before your 60th birthday		
	Pension payments	Lump sum withdrawals
Super	Not applicable	Tax-free component: Nil
Pension	Generally if you are under 60 but have reached your preservation age, tax is payable at your marginal tax rate, less a 15% tax offset.	<div>Taxable component:<ul style="list-style-type: none">• If you are under your preservation age, the tax rate is 20% (plus the Medicare Levy)• If you have reached your preservation age but are under 60, the benefit is tax-free up to the low rate cap amount*, then the rate of 15% applies (plus the Medicare Levy).</div> <div>* For current information on the low rate cap, visit www.ato.gov.au</div>

How Asgard eWRAP Super/Pension works

Asgard eWRAP Super/Pension

Your financial adviser

Your financial adviser is integral to your Asgard eWRAP Super/Pension account. You need to have a financial adviser to open and operate your Asgard eWRAP Super/Pension account.

Your financial adviser has online access to your account via AdviserNET. Through AdviserNET, your financial adviser can make amendments to your account (that is, update your personal or bank account details and set up new features), transact on your account (such as submitting buy and sell instructions) and generate various types of reports to help make informed decisions about your super.

Whether your financial adviser can transact or make amendments to your account on AdviserNET without notifying you first depends on the level of authority you grant to your financial adviser.

Authority

You can decide what level of authority your financial adviser holds for operating your account. There are two levels of authority:

1. **Investor directed authority** – You must authorise each instruction (transaction or account amendment) in writing before your financial adviser submits it to us online.
2. **Authority to operate** – This allows your financial adviser to submit investment instructions to us online and amend your account details on your behalf, without prior authorisation from you. Unless we advise you otherwise, the authority to operate allows your financial adviser to submit all instructions on your behalf except the following instructions:

- changing the name of your account
- funding a payment request
- transferring your account from Super to Pension
- setting up or increasing the adviser fee(s) to be charged to your account, and
- in relation to any other matters outlined in this PDS and the AIB that may require your personal instruction.

Change of authority or adviser

If you change your financial adviser or cancel your financial adviser's authority to operate, you must tell us immediately. If you change your financial adviser and don't inform us, we'll continue to act on the authority to operate you granted to your previous financial adviser.

Removal of financial adviser from your account

Asgard eWRAP Super/Pension is designed to be used by you together with your financial adviser. For that reason, you will need to have a financial adviser to open your account and to optimise the account features and fee structures. If your relationship with your financial adviser ends, you will need to take certain steps. These include notifying us immediately and letting us know whether you will be appointing a new financial adviser. If you do not appoint another financial adviser, you will need to manage your account directly. In addition, the fees applying to your account may increase and you will be unable to access a number of account features and functionalities.

For more information on the consequences of not having a financial adviser, see 'What will occur if you no longer have a financial adviser' in the 'General information' section in this PDS.

Investment options

Through Asgard eWRAP Super/Pension, you have access to managed investments, term deposits and listed securities. By diversifying your investments and investing for an appropriate timeframe, you may reduce the risks associated with super.

With the help of your financial adviser, you can quickly and easily change and mix your investments at any time throughout your life or as investment markets change. Together with your financial adviser, you are in control of where your money is invested and you can create the financial strategy that is best suited to your financial needs and goals.

Managed investments

You can choose from an extensive range of managed investments, including investments from the different asset classes of cash, fixed interest, shares or equity, and property as well as multi-sector (diversified) funds managed by some of Australia's leading investment managers.

The 'List of Available Investment Options' specifies the managed investments available through Asgard eWRAP Super/Pension. You can obtain this list from your financial adviser or by calling our Customer Relations team.

Listed securities

You have access to a broad range of securities listed on the ASX – generally those appearing in the ASX top 300 listed securities by market capitalisation, plus securities approved by us.

Please contact your financial adviser for information about the listed securities available through Asgard eWRAP Super/Pension.

Term deposits

Through Asgard eWRAP Super/Pension, we offer a range of term deposits with differing maturities/terms and interest payment options. You can learn more about the current terms and rates available from your financial adviser or by calling our Customer Relations team.

Term deposits are suitable for members who have an understanding of when they are likely to need to access funds in the future. They are not suitable for anyone who may suddenly need access to any funds in their term deposit as term deposits cannot be withdrawn before maturity.

For information on applicable term deposit terms, conditions and restrictions, refer to the relevant term deposit disclosure document, which you can obtain from your financial adviser or by calling our Customer Relations team.

Transferring investments

If you hold investments within a superannuation fund outside of Asgard eWRAP Super/Pension, you may be able to transfer these investments into your new Asgard eWRAP Super/Pension account or existing Asgard eWRAP Super account (provided those investments are approved by us) without needing to sell those investments first and then buy them back in your account. You will not only save on transaction fees but will also be protected from market movements.

Furthermore, with the help of your financial adviser, you can seamlessly transfer all or some of the investments in your Asgard eWRAP Super account to a new Asgard eWRAP Pension account.

For more information on investment options, see the 'Your investment options' section in the AIB.

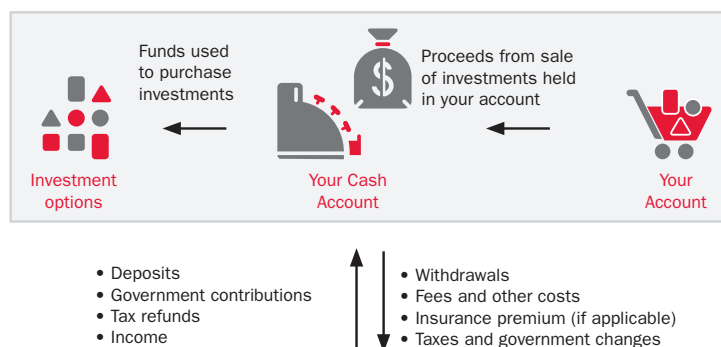

Your Cash Account

When you open an Asgard eWRAP Super/ Pension account, we also establish a Cash Account for you.

The Cash Account is the hub of your Asgard eWRAP Super/Pension account and it allows your financial adviser to easily buy and sell investments on your behalf. This connection between your Cash Account and your investment options makes it easy for you and your financial adviser to quickly respond to changes in the market or your investment needs.

The diagram below shows the flow of money in and out of your Cash Account.

Your Cash Account can be linked to an external bank account so you can easily transfer funds into and out of your Asgard eWRAP Super/Pension account (subject to preservation laws). Refer to 'Withdrawals – accessing your super' in the 'How super works' section in the AIB for further information.

You can deposit funds into your Cash Account by cheque, direct debit (either one-off or by establishing a regular deposit plan) and via BPAY®. Please note that deposits into your Super account and benefit payments are subject to restrictions under superannuation laws.

If you have an Asgard eWRAP Pension account, your regular pension payment will automatically be paid into your nominated bank account. You also have the choice of nominating a monthly, quarterly or yearly payment frequency.

Maintaining a minimum balance in your Cash Account

You have to maintain a minimum balance in your Cash Account to pay for transactions such as insurance premiums (if applicable), pension payments, and fees and other costs. The minimum balance applying to the Cash Account is set out in 'Maintaining a minimum balance in your Cash Account' in the 'How your account works' section in the AIB. You can monitor your Cash Account balance by regularly checking the details of your account on Investor *Online*.

When your Cash Account balance is close to or less than the minimum, you may wish to deposit additional funds into your account. You can also instruct your financial adviser to sell specific managed investments or listed securities. The sale proceeds will be paid into your Cash Account.

If you do not top up your Cash Account balance, we may sell managed investments. Refer to 'Your Cash Account' in the 'How your account works' section in the AIB for more information.

Optional features of your account

Asgard eWRAP Super/Pension offers a number of optional features to help you and your financial adviser manage your superannuation savings and/or your account more effectively. This makes it easier to compare and analyse how various investments are performing and for your financial adviser to make informed decisions if changes need to be made.

Following the end of each financial year, we'll produce your comprehensive Investor Report providing you with a clear snapshot of all your investments in one easy-to-understand document. This is also available on Investor *Online*.

You can access information on your account anytime and anywhere online, through Investor *Online*. For more information on Investor *Online* and other types of reporting we make available to you, refer to 'Keeping you informed' in the 'General information' section in this PDS.

What are the risks

It is important to note that all investments involve varying degrees of risk. The likely investment return and the level of risk that you could lose money are different for each investment option depending on the underlying mix of assets. Generally, the higher the potential return of an investment over the longer term, the greater the risk of loss in the shorter term.

When considering investment in super, it is important to understand that:

- investments will fluctuate in value
- returns are not guaranteed and you may lose some of your money
- investment returns can be volatile and may vary - past performance is not a reliable indicator of future performance
- laws affecting your super may change, and
- the amount of your future super savings may not be enough to adequately provide for your retirement.

Risks associated with a particular investment option could include (among other things) risks specific to a certain security, market risk, currency risk, interest rate risk, derivatives and gearing risk, alternative investment risk, credit risk, liquidity risk and legal and regulatory risk. The eWRAP Super and eWRAP Pension accounts and the investments you select are also subject to investment risk, including possible delays in repayment and the loss of principal, income and capital invested.

The appropriate level of risk for you will depend on your age and investment timeframe, where other parts of your wealth are invested and how comfortable you are with the possibility of losing some of your super in some years.

A crucial part of your relationship with your financial adviser is working out your own risk/return profile; that is, how much risk you are prepared to take in order to generate the returns you want.

❗ For more information on risks of investing and super, see 'Investing involves risk' in the 'Your investment options' section in the AIB.

5.

F

ees and other costs

DID YOU KNOW?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns. For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You may be able to negotiate to pay lower administration fees. Ask us or your financial adviser.

TO FIND OUT MORE

If you would like to find out more, or see the impact of fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** website (www.moneysmart.gov.au) has a superannuation calculator to help you check out different fee options.

Fees and other costs

This document shows fees and other costs that you may be charged. These fees and other costs may be deducted from your money, from the returns on your investment or from the assets of the superannuation entity as a whole.

Other fees, such as activity fees, adviser fees for personal advice and insurance fees, may also be charged, but these will depend on the nature of the activity, advice or insurance chosen by you.

Taxes are set out in the 'What you need to know about super' section in this PDS and the 'How super is taxed' section in the AIB. Insurance fees and other costs relating to insurance are set out in the product disclosure statement of the relevant insurance provider.

You should read all the information about fees and other costs because it is important to understand their impact on your investment.

The fees and other costs for each managed investment offered by the superannuation entity are set out in the 'List of Available Investment Options' and the product disclosure statement for each managed investment. Contact your financial adviser for a copy of the relevant product disclosure statement. Existing members can also obtain a copy of the relevant PDS through *Investor Online*.

The fees and other costs shown in this section do not take into account any income tax benefit (if applicable), unless otherwise stated, include GST and any applicable stamp duty and are net of RITC.

We estimate the Cash Account fee to be approximately 1.50% p.a. although the actual fee could be higher or lower in any year.	These fees are payable to the investment managers of the underlying managed investments. They are deducted periodically in arrears from the assets of the underlying managed investments and reflected in the unit prices of the managed investments. The amount you pay for specific managed investments is shown in the 'List of Available Investment Options' and the product disclosure statement or other disclosure document for each managed investment. It is paid as an expense out of the cash deposited in the underlying bank accounts (including term deposits) the Cash Account Administrator maintains with St.George and/or Westpac.						

3. For more information about the other fees and costs, refer to the 'Additional explanation of fees and other costs' section in this PDS and the AIB.

4. Estimates are based on figures for the 2012/2013 financial year and subject to change without notice. Refer to the 'List of Available Investment Options' and the product disclosure statement for the specific managed investment for the specific amount you pay. Performance fees may also apply. Investment manager fees include an estimate of the cost of the performance fees, but the actual amount may vary. For more information on performance fees, refer to the 'Additional explanation of fees and other costs' section in the AIB.

5. The Cash Account Administrator is BT Portfolio Services Limited ABN 73 095 055 208 (BTPS). BTPS is a related body corporate of Asgard and BTFM.

6. The declared interest rate may change from time to time but will be greater than 0 per cent. For the current interest rate declared on your Cash Account, speak with your financial adviser or our Customer Relations team.

Example of annual fees and costs for a balanced investment option (\$50,000 example)

This table gives an example of how the fees and costs for a balanced investment option¹ for this superannuation product can affect your superannuation investment over a 1 year period. You should use this table to compare this superannuation product with other superannuation products.

Example – balanced investment option ¹	Balance of \$50,000	
Investment fees	Nil	For every \$50,000 you have in the balanced investment option, you will be charged \$0 each year.
PLUS Administration fees	\$820.00 ² (administration fee) + 0.1045% (Trustee fee) + \$180 ³ (expense recovery)	And , you will be charged \$1,052.25 in administration fees each year.
PLUS Indirect costs for the balanced investment option	0.80% ⁴ (investment manager fee + performance fee)	And , indirect costs of \$400.00 each year will be deducted from your investment.
EQUALS Cost of product		If your balance was \$50,000 then for that year you will be charged fees of \$1,452.25 ⁵ for the balanced investment option.

1. This is the Advance Balanced Multi Blend Fund.
2. In this example, it is assumed that your entire account balance of \$50,000 is held in the balanced investment option. As the amount is less than \$100,000, minimum fees of \$68.33 per month (or \$820.00 p.a.) are applied as the administration fee. Note that as your account balance increases, the administration fee you pay, as a percentage of your account balance will decrease due to the tiered administration fee structure (as shown in the administration fee scale in the fee table in this section).
3. The expense recovery used in this example is an estimate only. The exact amount charged to your account will be reported in your periodic Investor Report as an expense recovery.
4. This is the investment manager fee that applied to the Advance Balanced Multi Blend Fund as at 31 December 2013 and includes an estimate of performance fees based on the performance fees paid over the 12 months to 31 December 2013. For more information on performance fees, refer to the 'Additional explanation of fees and other costs' section in the AIB.
5. Additional fees may apply as this example does not take into account all the fees and costs that may apply to your account, for example: a) adviser fees b) Cash Account fee and c) transaction costs (that is buy/sell spread and brokerage). Refer to the 'Additional explanation of fees and other costs' section in this PDS and in the AIB for information about the fees and other costs that may apply.
 - a) The adviser fee is negotiated between you and your financial adviser and paid to your financial adviser.
 - b) The Cash Account fee is dependent on the balance held in your Cash Account and the actual fee charged by the Cash Account Administrator. The Cash Account fee is estimated at 1.50% p.a. A \$50,000 investment in the Advance Balanced Multi Blend Fund would require you to maintain, depending on your account type, up to \$4,000 in your Cash Account as a minimum balance. If you held \$4,000 throughout the year in your Cash Account, then the Cash Account fee (based on the historical average amount) would amount to \$60 p.a.
 - c) The actual transaction costs incurred are dependent on the managed investments, term deposits and listed securities you decide to invest in.

Example of annual fees and costs for a balanced investment option (\$100,000 example)

This table gives an example of how the fees and costs for a balanced investment option¹ for this superannuation product can affect your superannuation investment over a 1 year period. You should use this table to compare this superannuation product with other superannuation products.

Example – balanced investment option ¹	Balance of \$100,000	
Investment fees	Nil	For every \$100,000 you have in the balance investment option, you will be charged \$0 each year.
PLUS Administration fees	0.8200% ² (administration fee) + 0.1045% (Trustee fee) + \$180 ³ (expense recovery)	And , you will be charged \$1,104.50 in administration fees each year.
PLUS Indirect costs for the balanced investment option	0.80% ⁴ (investment manager fee + performance fee)	And , indirect costs of \$800.00 each year will be deducted from your investment
EQUALS Cost of product		If your balance was \$100,000 then for that year you will be charged fees of \$1,904.50 ⁵ for the balanced investment option.

1. This is the Advance Balanced Multi Blend Fund.
2. In this example, it is assumed that your entire account balance of \$100,000 is held in the balanced investment option. As your account balance increases, the total administration fee you pay as a percentage of your account balance will decrease due to the tiered administration fee structure (as shown in the administration fee scale in the fee table in this section).
3. The expense recovery used in this example is an estimate only. The exact amount charged to your account will be reported in your periodic Investor Report as an expense recovery.
4. This is the investment manager fee that applied to the Advance Balanced Multi Blend Fund as at 31 December 2013 and includes an estimate of performance fees based on the performance fees paid over the 12 months to 31 December 2013. For more information on performance fees, refer to the 'Additional explanation of fees and other costs' section in the AIB.
5. Additional fees may apply as this example does not take into account all the fees and costs that may apply to your account, for example: a) adviser fees b) Cash Account fee and c) transaction costs (that is buy/sell spread and brokerage). Refer to the 'Additional explanation of fees and other costs' section in this PDS in the AIB for information about the fees and other costs that may apply.
 - a) The adviser fee is negotiated between you and your financial adviser and paid to your financial adviser.
 - b) The Cash Account fee is dependent on the balance held in your Cash Account and the actual fee charged by the Cash Account Administrator. The Cash Account fee has historically averaged 1.50% p.a. A \$100,000 investment in the Advance Balanced Multi Blend Fund would require you to maintain, depending on your account type, up to \$4,000 in your Cash Account as minimum balance. If you held \$4,000 throughout the year in your Cash Account, then the Cash Account fee (based on the 2013/14 estimate) would amount to \$60 p.a.
 - c) The actual transaction costs incurred are dependent on the managed investments, term deposits and listed securities you decide to invest in.

Additional explanation of fees and other costs

Fee aggregation

Where you hold more than one Asgard eWRAP Super/Pension account and Asgard Infinity eWRAP Super/Pension account, we will automatically link these accounts and apply proportionately each of the administration fee scales that are relevant to the aggregated value of managed investments* and listed securities held through these accounts. The administration fee that the linking of accounts generates is then compared to the sum of the administration fees payable on each of the individual accounts to determine whether any discount arises from the fee aggregation. The discount (if any) is apportioned across the linked accounts based on the value of managed investments* and listed securities held through each account. This is another way we help you lower the cost of managing your investments.

To be eligible for aggregation, the accounts must be registered under the same surname, date of birth, financial adviser and adviser code. There is no limit to the number of accounts that can be linked together for the purpose of fee aggregation.

* Reference to 'managed investments' includes term deposits with respect to Asgard eWRAP Super/Pension accounts but not Asgard Infinity eWRAP Super/Pension accounts.

Licensee negotiated administration fee waiver

Your financial adviser or their dealer group may negotiate with us (on your behalf) for a partial waiver of the administration fee (disclosed as 'Administration fee' in the second column of the 'fees and other costs' table) charged to your account. This means that the administration fee you need to pay may be lower than what is disclosed in that table. Where the licensee negotiated administration fee waiver applies, you will receive details of the reduction through the Statement of Advice provided by your financial adviser. You will also see, on *Investor Online*, the percentage reduction that has been applied to your administration fee.

A change in financial adviser or your financial adviser's licensee arrangement will affect the reduction to the administration fee you receive. Any reduction to the administration fee, following negotiation by your financial adviser or their dealer group, will cease to apply and the administration fee will revert to the un-reduced administration fee on 30 days' notice, or without notice if you cease to be advised by your financial adviser or their dealer group.

All other reductions that are applied to your administration fee, including fee aggregation are calculated after any licensee negotiated administration fee waiver. For more information about what happens if you don't have a financial adviser, see 'What will occur if you no longer have a financial adviser' in the 'General information' section in this PDS.

Adviser remuneration/fees

Our fee structure provides you and your financial adviser with flexibility when determining the fee they receive for the financial advice and related services they provide to you in relation to your account. The following optional fees are available for you to select the most appropriate remuneration arrangement with your financial adviser:

- Adviser fee – Contributions
- Ongoing adviser fee, and
- One-off adviser fee.

You may agree to one or more of these options.

The amounts you specify will be GST inclusive, but will not take into account any RITCs that may be claimed. Where applicable, the actual amounts that will be deducted from your Cash Account will be adjusted for RITC that is claimed in respect of these fees, and may therefore be less than the amounts you specify on the relevant form.

The payment of fees that you agree to pay to your financial adviser in relation to financial product advice or related services that you receive will, subject to our duties as the Trustee, be facilitated by us in accordance with your directions. Generally, when you consent to us paying these agreed fees to your financial adviser, we will deduct those amounts in the same way (and on the same basis under the Trust Deed) used to deduct the fees you pay to us for administering your account.

Please note that all of the adviser fees are deducted by us and then paid to your financial adviser, or to your financial adviser's dealer group on behalf of your financial adviser. However, we will not deduct any amounts in relation to adviser fees unless you agree, and we do not retain any portion of these adviser fees for our own benefit.

By consenting in the relevant form to the deduction and payment of agreed fees to your financial adviser (or to your financial adviser's dealer group on behalf of your financial adviser), you direct us to make those payments to your financial adviser (or to your financial adviser's dealer group on behalf of your financial adviser).

Opting-out from advice

You may at any time opt out of receiving financial advice or related services from your financial adviser and paying your financial adviser ongoing fees by notifying us. We encourage you to talk to your financial adviser first before requesting to change the fees applying to your account. We reserve the right to cease paying to your financial adviser any adviser fees on your behalf on receipt of a written request from either of you or your financial adviser.

If you opt out of the ongoing adviser fees paid to your financial adviser, we will generally cease paying the ongoing adviser fees from the beginning of the month in which your request is processed by us. For the Adviser fee – Contributions, we will generally cease paying this from the date on which your request is processed by us. However, if you have instructed us to cease paying adviser fees without terminating or opting out of an ongoing fee arrangement with your financial adviser, then you may still be personally liable to pay the adviser fees as agreed under that arrangement. For information on disclosure of your financial adviser's remuneration, refer to 'Disclosure of fees and costs received by your financial adviser' later in this section.

Opting out from advice is not the same as ending your relationship with your financial adviser. This needs to be separately requested (if required). If the relationship with your financial adviser has ended but you do not appoint a new financial adviser, this may have an effect on the fees you pay and your account features. For more information, see 'What will occur if you no longer have a financial adviser' in the 'General information' section in this PDS.

Adviser fee – Contributions

You and your financial adviser may agree the amount of adviser remuneration that will apply to financial advice and related services provided in relation to the initial and ongoing contributions into your account (whether made by you, your employer or another person on your behalf). It can be between nil and 5.5% (including GST). When you agree to the amount of the fee, you consent to us deducting and paying this amount from your account at the same time as we receive each contribution.

For one-off contributions, where requested, the Adviser fee – Contributions can be nominated as a dollar amount at the time the contribution is made. However, the dollar amount cannot exceed a maximum of 5.5% (including GST) of the contribution.

If no percentage or dollar-based fee is specified, the fee will be nil.

Ongoing adviser fee

An ongoing adviser fee can also be paid to your financial adviser in addition to the administration fee which is payable to us on a monthly basis in arrears. The ongoing adviser fee amount is calculated on the basis agreed between you and your financial adviser. When you agree on an amount, or basis of calculation, you consent to us deducting and paying this amount from your account each month.

You may select from the following monthly adviser fee options:

1. **Flat percentage amount** – Select a flat percentage between 0% and 5.5% (including GST) to apply to the value of managed investments, term deposits, listed securities and cash; OR
2. **Sliding scale** – Specify a sliding scale applicable to the value of managed investments, term deposits and listed securities; OR
3. **Flat dollar amount** – Select a flat dollar amount per month which can be increased annually in line with the Consumer Price Index (CPI). You can indicate in your application the month and year in which the increase will first occur.

The flat percentage and sliding scale monthly adviser fee options are calculated based on your account balance (of managed investments, term deposits, listed securities and cash, as applicable) at the end of the previous month.

Ongoing adviser fees are paid monthly in arrears from your Cash Account. Where your account is opened during the month, the ongoing adviser fee charged for the first month will be pro-rated based on the number of days your account was opened in that month.

One-off adviser fee

You can agree with your financial adviser to have a one-off flat dollar fee charged to your account. The one-off adviser fee can be paid to your financial adviser in addition to the administration fee which is payable to us. When you agree on an amount, you consent to us deducting and paying this amount from your account.

The one-off adviser fee can be charged on an ad-hoc basis but is limited to being charged once a month. It is deducted from your Cash Account in arrears at the beginning of the month or, if applicable, at the time your account is closed.

Disclosure of fees and costs received by your financial adviser

Your financial adviser must disclose to you any benefits they receive in relation to your investment, including all fees and costs that you have negotiated with them. See your financial adviser's Financial Services Guide and/or Statement of Advice for further information on these benefits.

If an ongoing fee arrangement exists between you and your financial adviser, your financial adviser will also be required to give you a Fee Disclosure Statement on an annual basis. It is also your and your financial adviser's responsibility to notify us to cease payment of adviser remuneration or fees in the event that the ongoing fee arrangement is either terminated or is not renewed.

Platform payments

In limited circumstances, and to the extent permitted by law, we may pay to your financial adviser's dealer group or an appropriate licensed related body corporate of their dealer group up to 100% of the fees/other payments we receive (other than any expense recovery). We pay these amounts out of our own funds and they are not additional costs to you.

Variation of fees and other costs

Our ability to charge fees and other costs, including both maximum amounts and the introduction of new fees and other costs, is not restricted under the Trust Deed.

You will, to the extent required by law, receive at least 30 days' written notice of any new fees and costs or an increase in current fees and costs.

In the event of any change in tax laws or their interpretation – including changes that affect the rate of GST payable or the input tax credits that we may receive – the amounts deducted from your Cash Account in respect of the fees and costs applied to your Asgard eWRAP Super/Pension account may be varied or adjusted to reflect such changes without your consent or further notice to you.

We may – at our discretion and with the consent of the Administrator – either generally or on request from you, your financial adviser or their dealer group reduce or waive any of the fees and costs applying to your account. Any such reduction or waiver of fees and costs will cease to apply and those fees and costs will revert to the un-reduced amount on 30 days' notice or without notice if you cease to be advised by your financial adviser or their dealer group.

Managed investments

Investment manager fees may be varied at any time by an investment manager, without notice to you. See the 'List of Available Investment Options' for the full list of investment manager fees.

Details of current fees and costs, including changes to underlying managed investment fees and costs, are available through Investor *Online* (see 'Electronic notifications, eStatements and online communications' in the 'General information' section in this PDS for more information about electronic notification).

Before making an investment decision, you should refer to the current investment manager fees applying to your account which are available at any time through Investor *Online* and by referring to the 'List of Available Investment Options' and any related updating information that is applicable to your account.

❗ For more information on additional fees and costs such as performance fees, buy/sell spreads and share brokerage that may apply, see the 'Additional explanation of fees and other costs' section in the AIB.

General information

What will occur if you no longer have a financial adviser

You must have a financial adviser when you open your Asgard eWRAP Super/Pension account. However, if you wish to end the relationship, you must notify us immediately by taking the steps described below. Alternatively, if we become aware of an event that ends the relationship between you and your financial adviser, we will notify you. In these cases, you can appoint a new financial adviser to manage your account.

We encourage you to have a financial adviser to allow you to access all account features and to enable efficient processing of your investment instructions.

What do you need to do

If you wish to appoint a new financial adviser, you need to complete and return to us a 'Change of Adviser' form. If you wish to end the relationship with your current financial adviser, but will not be appointing a new financial adviser at the same time, you will need to complete a 'Request to remove a financial adviser from an account' form. You can obtain both forms by contacting our Customer Relations team. **It is important to complete the relevant form to assist you in managing your adviser fee arrangements and deciding who can access your account.**

What happens if you do not appoint a replacement financial adviser

If you do not appoint a new financial adviser, you will assume responsibility for managing your account directly.

Once we process your 'Request to remove a financial adviser from an account' form or, alternatively, after we have notified you that your relationship with your financial adviser has ended, the following changes will occur (within a period that is appropriate in the circumstances or is required by law):

- Loss of any negotiated administration fee discount: if your financial adviser (or their dealer group) had negotiated a reduction in your administration fee, this reduction will no longer apply and your administration fee will increase to the amount disclosed in the fee table in this PDS (see the 'Fees and other costs' section in this PDS).
- Some features of your Asgard eWRAP Super or eWRAP Pension account will change. For example you will be:
 - able to provide investment instructions relating to managed investments, term deposits and (if you have a share account) listed securities, but only where you complete and lodge a form with us. The form is available through our Customer Relations team
 - unable to provide us with your corporate action elections, and
 - unable to access certain account features, including:
 - Automatically invest excess cash
 - Automatically rebalance your account
 - Regular buy
 - Regular sell
 - Regular deposit/direct debit plan (applies to eWRAP Super account only), and
 - Reinvestment of income distributions.

Cooling-off period

If you change your mind about investing in Asgard eWRAP Super/Pension, you may redeem your investment from the Fund by having your money paid to another complying super fund or paid directly back to you (in the latter case, only if you satisfy a condition of release of preserved benefits). This right can be exercised within 14 days after confirmation of your investment or 14 days after the fifth business day after the money has been invested, whichever is earlier. This cooling-off period only applies to the first contribution made into your account.

You may exercise your cooling-off rights by notifying us in writing within the cooling-off period. You cannot exercise your cooling-off rights in respect of a deposit after you have exercised any other rights or powers you have in respect of that deposit.

The amount received will reflect any market movements (up or down) in the value of the investment in your account.

We may also deduct any taxes, reasonable transaction and administration costs. In the case of an eWRAP Pension account we may also deduct any pension payments that have already been made, or any pro-rata pension payments legally required to be made. As a result, the amount redeemed may be less than your original investment. The sale of any investments required to action the refund may also result in the realisation of a taxable capital gain.

If your money is required to be paid to another super fund, or you wish to have the money paid to another super fund, you must nominate that fund to us. You must make such a nomination to us within one month of your refund request.

If you do not advise us of the complying super fund, retirement savings account or approved deposit fund you would like your contribution to be rolled over to, we will roll over your contribution to the SuperTrace Eligible Rollover Fund. Your term allocated pension account

From 20 September 2007, we no longer accept applications for term allocated pensions (TAP). TAPs are only available to eligible binding reversionary pension beneficiaries. You are an eligible beneficiary of a binding reversionary pension if an initial member who received the TAP (original member) has died and you were nominated as their beneficiary under a binding reversionary nomination made by them.

TAPs provide you with a regular pension payment for the term the original member chose. Your TAP account payments will be made over the nominated term of the pension which was established at the commencement of the original account.

Calculating the term

When the TAP commenced, the original member established the term of the pension. The original member could have chosen between their or your life expectancy and the number of years before they or you would reach age 100.

They could only use your life expectancy for determining the term if it was greater than theirs and they nominated you as a binding reversionary pension beneficiary.

Pension payments

The pension you can draw from the TAP account is calculated on 1 July each year using a formula that factors in your account balance and the remaining term of your pension. You can adjust the amount of your pension payments from between 90% to 110% of this annual amount at any time.

Social security benefits

No Centrelink asset test exemption applies to the allocated pension account. However, TAPs will continue to attract a 50% asset test exemption under social security law when they were commenced before 20 September 2007. For more information, contact your financial adviser.

Lump-sum payments

The Government has restricted lump sum access to TAPs except:

- where your TAP is not funded from the commutation of a complying pension or annuity. You can make a withdrawal within six months of commencement of your TAP unless your pension was established by satisfying the pre-retirement pension condition of release, in which case you can withdraw only your unrestricted non-preserved benefits
- if you or your reversionary beneficiary dies. However, if the nominated life expectancy for your TAP is based on your spouse's life expectancy, you can't commute your TAP until after both you and your spouse die, other than to purchase a new complying pension or annuity
- where the withdrawal is directly used to purchase another complying pension or annuity with comparable Centrelink treatment
- to make a non-member spouse payment split under the Family Law Act, or
- to ensure that a payment may be made for the purpose of giving effect to a release authority under the Tax Act.

You should consult your financial adviser before you decide to take any part of your pension as a lump sum.

Things to consider when transferring your super

When you transfer your super, your entitlements under that fund may cease. You need to consider all relevant information before you make a decision to transfer your super. If you ask for information, your super provider must give it to you. Some of the points you may consider are:

- **Fees** – your FROM fund must give you information about any exit or withdrawal fees. If you are not aware of the fees that may apply, you should contact your fund for further information before completing this form. The fees could include administration fees as well as exit or withdrawal fees. Your TO fund may also charge entry or deposit fees on transfer.

Differences in fees funds charge can have a significant effect on what you will have to retire on. For example, a 1% increase in fees may significantly reduce your final benefit.

- **Death and disability benefits** – your FROM fund may insure you against death, illness or an accident which leaves you unable to return to work. If you choose to leave your current fund, you may lose any insurance entitlements you have. Other funds may not offer insurance or may require you to pass a medical examination before they cover you. When considering a new fund, you may wish to check the costs and amount of any cover offered.

- **Tax file number (TFN)** – you are not obligated to provide your TFN to your super fund. However, if you do not provide your TFN, your fund may be taxed at the highest marginal tax rate plus the Medicare levy on contributions made to your account in the year, compared to the concessional tax rate of 15%. Your fund may deduct this additional tax from your account.

If your super fund does not have your TFN, you will not be able to make personal contributions to your super account. Choosing to quote your TFN will also make it easier to keep track of super in the future.

Under the *Superannuation Industry (Supervision) Act 1993*, your super fund is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. The TFN may be disclosed to another super provider when your benefits are being transferred, unless you request in writing that your TFN is not disclosed to any other trustee.

Note: If you choose not to provide your TFN the transferring fund may ask you to prove your identity.

What happens to my future employer contributions?

Using this form to transfer your benefits will not change the fund to which your employer pays your contributions and may close the account you are transferring your benefits FROM. If you wish to change the fund into which your contributions are being paid, you will need to speak to your employer about choice.

The following table contains information about suitable linking documents.

Purpose	Suitable linking documents

Tax file number declaration

Information you provide in this declaration will allow your payer to work out how much tax to withhold from payments made to you.

— This is not a TFN application form.
To apply for a TFN, go to ato.gov.au/tfn

! Terms we use

When we say:

- **payer**, we mean the business or individual making payments under the pay as you go (PAYG) withholding system
- **payee**, we mean the individual being paid.

Who should complete this form?

You should complete this form before you start to receive payments from a new payer – for example:

- payments for work and services as an employee, company director or office holder
- payments under return-to-work schemes, labour hire arrangements or other specified payments
- benefit and compensation payments
- superannuation benefits.

! You need to provide all information requested on this form. Providing the wrong information may lead to incorrect amounts of tax being withheld from payments made to you.

- ! You don't need to complete this form if you:
- are a beneficiary wanting to provide your tax file number (TFN) to the trustee of a closely held trust. For more information, visit ato.gov.au/trustsandtfnwithholding
 - are receiving superannuation benefits from a super fund and have been taken to have quoted your TFN to the trustee of the super fund
 - want to claim the seniors and pensioners tax offset by reducing the amount withheld from payments made to you. You should complete a withholding declaration form (NAT 3093)
 - want to claim a zone, overseas forces or invalid and invalid carer tax offset by reducing the amount withheld from payments made to you. You should complete a withholding declaration form (NAT 3093).

> For more information about your entitlement, visit ato.gov.au/taxoffsets

Section A: To be completed by the payee

Question 1

What is your tax file number (TFN)?

You should give your TFN to your employer only after you start work for them. Never give your TFN in a job application or over the internet.

-  We and your payer are authorised by the *Taxation Administration Act 1953* to request your TFN. It's not an offence not to quote your TFN. However, quoting your TFN reduces the risk of administrative errors and having extra tax withheld. Your payer is required to withhold the top rate of tax from all payments made to you if you do not provide your TFN or claim an exemption from quoting your TFN.

How do you find your TFN?

You can find your TFN on any of the following:

- your income tax notice of assessment
- correspondence we send you
- a payment summary your payer issues to you.

If you have a tax agent, they may also be able to tell you.

If you still can't find your TFN, you can:

- phone us on **13 28 61** between 8.00am and 6.00pm, Monday to Friday.

If you phone or visit us, we need to know we are talking to the correct person before discussing your tax affairs. We will ask you for details only you, or your authorised representative, would know.

You don't have a TFN

If you don't have a TFN and want to provide a TFN to your payer, you will need to apply for one.

For more information about applying for a TFN, visit ato.gov.au/tfn

You may be able to claim an exemption from quoting your TFN.

Print X in the appropriate box if you:

- have lodged a TFN application form or made an enquiry to obtain your TFN. You now have 28 days to provide your TFN to your payer, who must withhold at the standard rate during this time. After 28 days, if you haven't given your TFN to your payer, they will withhold the top rate of tax from future payments
- are claiming an exemption from quoting a TFN because you are under 18 years of age and do not earn enough to pay tax, or you are an applicant or recipient of certain pensions, benefits or allowances from the:
 - Department of Human Services – however, you will need to quote your TFN if you receive a Newstart, Youth or sickness allowance, or an Austudy or parenting payment
 - Department of Veterans' Affairs – a service pension under the *Veterans' Entitlement Act 1986*
 - Military Rehabilitation and Compensation Commission.

Providing your TFN to your super fund

Your payer must give your TFN to the super fund they pay your contributions to. If your super fund doesn't have your TFN, you can provide it to them separately. This ensures:

- your super fund can accept all types of contributions to your accounts
- additional tax will not be imposed on contributions as a result of failing to provide your TFN
- you can trace different super accounts in your name.

-  For more information about providing your TFN to your super fund, visit ato.gov.au/superelegibility

Question 2–6

Complete with your personal information.

Question 7

On what basis are you paid?

Check with your payer if you're not sure.

Question 8

Are you an Australian resident for tax purposes or a working holiday maker?

Generally, we consider you to be an Australian resident for tax purposes if you:

- have always lived in Australia or you have come to Australia and now live here permanently
- are an overseas student doing a course that takes more than six months to complete
- migrate to Australia and intend to reside here permanently.

If you go overseas temporarily and don't set up a permanent home in another country, you may continue to be treated as an Australian resident for tax purposes.

If you are in Australia on a working holiday visa (subclass 417) or a work and holiday visa (subclass 462) you must place an X in the working holiday maker box. Special rates of tax apply for working holiday makers.

-  For more information about working holiday makers, visit ato.gov.au/whm

If you're not an Australian resident for tax purposes or a working holiday maker, place an X in the foreign resident box, unless you are in receipt of an Australian Government pension or allowance.

Temporary residents can claim super when leaving Australia, if all requirements are met. For more information, visit ato.gov.au/departaustralia

Foreign resident tax rates are different

A higher rate of tax applies to a foreign resident's taxable income and foreign residents are not entitled to a tax-free threshold nor can they claim tax offsets to reduce withholding, unless you are in receipt of an Australian Government pension or allowance.

-  To check your Australian residency status for tax purposes or for more information, visit ato.gov.au/residency

Question 9

Do you want to claim the tax-free threshold from this payer?

The tax-free threshold is the amount of income you can earn each financial year that is not taxed. By claiming the threshold, you reduce the amount of tax that is withheld from your pay during the year.

Answer **yes** if you want to claim the tax-free threshold, you are an Australian resident for tax purposes, and one of the following applies:

- you are not currently claiming the tax-free threshold from another payer
- you are currently claiming the tax-free threshold from another payer and your total income from all sources will be less than the tax-free threshold.

Answer **yes** if you are a foreign resident in receipt of an Australian Government pension or allowance.

Answer **no** if none of the above applies or you are a working holiday maker.

- ! If you receive any taxable government payments or allowances, such as Newstart, Youth Allowance or Austudy payment, you are likely to be already claiming the tax-free threshold from that payment.
- > For more information about the current tax-free threshold, which payer you should claim it from, or how to vary your withholding rate, visit ato.gov.au/taxfreethreshold

Question 10

Do you have a Higher Education Loan Program (HELP), VET Student Loan (VSL), Financial Supplement (FS), Student Start-up Loan (SSL) or Trade Support Loan (TSL) debt?

Answer **yes** if you have a HELP, VSL, FS, SSL or TSL debt.

Answer **no** if you do not have a HELP, VSL, FS, SSL or TSL debt, or you have repaid your debt in full.

- ! You have a HELP debt if either:
 - the Australian Government lent you money under HECS-HELP, FEE-HELP, OS-HELP, VET FEE-HELP, VET Student loans prior to 1 July 2019 or SA-HELP.
 - you have a debt from the previous Higher Education Contribution Scheme (HECS).
- You have a SSL debt if you have an ABSTUDY SSL debt.
- You have a separate VSL debt that is not part of your HELP debt if you incurred it from 1 July 2019.
- > For information about repaying your HELP, VSL, FS, SSL or TSL debt, visit ato.gov.au/getloaninfo

Have you repaid your HELP, VSL, FS, SSL or TSL debt?

When you have repaid your HELP, VSL, FS, SSL or TSL debt, you need to complete a *Withholding declaration* (NAT 3093) notifying your payer of the change in your circumstances.

! Sign and date the declaration

Make sure you have answered all the questions in section A, then sign and date the declaration. Give your completed declaration to your payer to complete section B.

Section B: To be completed by the payer

- ! Important information for payers – see the reverse side of the form.

> Lodge online

Payers can lodge TFN declaration reports online if you have software that complies with our specifications.

For more information about lodging the TFN declaration report online, visit ato.gov.au/lodgetfndeclaration

Payer information

The following information will help you comply with your pay as you go (PAYG) withholding obligations.

— Is your employee entitled to work in Australia?

It is a criminal offence to knowingly or recklessly allow someone to work, or to refer someone for work, where that person is from overseas and is either in Australia illegally or is working in breach of their visa conditions.

People or companies convicted of these offences may face fines and/or imprisonment. To avoid penalties, ensure your prospective employee has a valid visa to work in Australia before you employ them. For more information and to check a visa holder's status online, visit the Department of Home Affairs website at homeaffairs.gov.au

Is your payee working under a working holiday visa (subclass 417) or a work and holiday visa (subclass 462)?

Employers of workers under these two types of visa need to register with the ATO, see ato.gov.au/whmreg

For the tax table "working holiday maker" visit our website at ato.gov.au/taxtables

Payer obligations

If you withhold amounts from payments, or are likely to withhold amounts, the payee may give you this form with section A completed. A TFN declaration applies to payments made after the declaration is provided to you. The information provided on this form is used to determine the amount of tax to be withheld from payments based on the PAYG withholding tax tables we publish. If the payee gives you another declaration, it overrides any previous declarations.

Has your payee advised you that they have applied for a TFN, or enquired about their existing TFN?

Where the payee indicates at question 1 on this form that they have applied for an individual TFN, or enquired about their existing TFN, they have 28 days to give you their TFN. **You must withhold tax for 28 days at the standard rate according to the PAYG withholding tax tables.** After 28 days, if the payee has not given you their TFN, you must then withhold the top rate of tax from future payments, unless we tell you not to.

If your payee has not given you a completed form you must:

- notify us within 14 days of the start of the withholding obligation by completing as much of the payee section of the form as you can. Print 'PAYER' in the payee declaration and lodge the form – see 'Lodging the form'.
- withhold the top rate of tax from any payment to that payee.

➤ For a full list of tax tables, visit our website at ato.gov.au/taxtables

Lodging the form

You need to lodge TFN declarations with us within 14 days after the form is either signed by the payee or completed by you (if not provided by the payee). **You need to retain a copy of the form for your records.** For information about storage and disposal, see below.

You may lodge the information:

- **online** – lodge your TFN declaration reports using software that complies with our specifications. There is no need to complete section B of each form as the payer information is supplied by your software.
- **by paper** – complete section B and send the original to us within 14 days.

➤ For more information about lodging your TFN declaration report online, visit our website at ato.gov.au/lodgetfndeclaration

Provision of payee's TFN to the payee's super fund

If you make a super contribution for your payee, you need to give your payee's TFN to their super fund on the day of contribution, or if the payee has not yet quoted their TFN, within 14 days of receiving this form from your payee.

Storing and disposing of TFN declarations

The TFN Rule issued under the *Privacy Act 1988* requires a TFN recipient to use secure methods when storing and disposing of TFN information. You may store a paper copy of the signed form or electronic files of scanned forms. Scanned forms must be clear and not altered in any way.

If a payee:

- submits a new *TFN declaration* (NAT 3092), you must retain a copy of the earlier form for the current and following financial year.
- has not received payments from you for 12 months, you must retain a copy of the last completed form for the current and following financial year.

— Penalties

You may incur a penalty if you do not:

- lodge TFN declarations with us
- keep a copy of completed TFN declarations for your records
- provide the payee's TFN to their super fund where the payee quoted their TFN to you.

Direct debit request service agreement

Asgard

This agreement sets out the terms on which we accept and act under a Direct Debit Request (DDR) you give us to debit amounts from your account under the Bulk Electronic Clearing System (BECS). It is additional to the arrangement under which you make payments to us.

Asgard Capital Management Ltd ABN 92 009 279 592 ('we' or 'us'), User ID: 016103
Level 38, Central Park
152 St Georges Terrace, Perth WA 6000.

You have entered or are about to enter into an arrangement under which you make payments to us. You want to make those payments by use of the BECS.

Ensure that you keep a copy of this agreement as it sets out certain rights you have against us and certain obligations you have to us due to giving us your DDR.

When we are bound by this agreement

1. We agree to be bound by this agreement when we receive your DDR complete with the particulars we need to draw an amount under it.

What we agree to and what we can do

2. We only draw money out of your account in accordance with the terms of your DDR.
3. We do not give you a statement of the amounts we draw under your DDR.
4. On giving you at least 14 days notice, we may: change our procedures in this agreement; change the terms of your DDR; or cancel your DDR.
5. You may ask us to: alter the terms of the DDR; defer a payment to be made under your DDR; stop a drawing under your DDR; or cancel your DDR by emailing asgard.investor.services@asgard.com.au or writing to Asgard, PO Box 7490, Cloisters Square WA 6850. We require a new direct debit form if you are changing your financial institution or where you have deferred a direct debit for more than three months.
6. You can dispute an amount we draw under your DDR by calling our Contact Centre on 1800 998 185; or emailing asgard.investor.services@asgard.com.au; or writing to Asgard, PO Box 7490, Cloisters Square WA 6850.
7. We deal with any disputes under Clause 6 of this agreement as follows. We and our bank review our respective records. If necessary we contact your financial institution to review its records. We advise you and your financial adviser in writing within two to four weeks, depending on the nature and extent of the dispute, and the measures taken to resolve it.
8. If the day on which you must make any payments to us is not a business day, we will draw on your account under your DDR on the first business day following that day.
9. If your financial institution rejects any of our attempts to draw an amount in accordance with your DDR, we contact you and your financial adviser in writing. After three consecutive rejections we advise you and your financial adviser in writing that you can no longer make payments by direct debit. Should we purchase managed investments on your behalf with the proceeds of the DDR, and your financial institution does not honour the DDR, managed investments may have to be sold. We cannot be held responsible for the effect of this buying and selling.
10. We will not disclose to any person any information you give us on your DDR, which is not generally available, unless: you dispute any amount we draw under your DDR and we need to disclose any information relating to your DDR or to any amount we draw under it to the financial institution at which your account is held or the financial institution which sponsors our use of the BECS or both of them; you consent to that disclosure; or we are required to disclose that information by law.

What you should consider

11. Not all accounts held with a financial institution are available to be drawn on under the BECS.
12. Before you complete your DDR, it is best to check account details against a recent statement from your financial institution to ensure the details on your DDR are completed correctly.
13. If you are uncertain when your financial institution processes an amount we draw under your DDR on a day which is not a business day, enquire with your financial institution.
14. It is your responsibility to ensure there are sufficient cleared funds available in your account, by the due date on which we draw any amount under your DDR, to enable us to obtain payment in accordance with your DDR.

Information on completing this form

Make a new binding death benefit nomination

- Unless you revoke a binding death benefit nomination, it will remain valid for a period of three years from the date you first signed, last confirmed or amended it. If a binding death benefit nomination ceases to be valid it will not be binding on the Trustee and the Trustee will have the discretion to determine to whom your death benefit is paid, although the nomination will be taken into consideration.
- You can change or revoke your nomination at any time. Making a new binding death nomination will replace existing binding death benefit nomination. Your current nomination will be revoked upon acceptance of the new binding death nomination.
- You can only nominate an 'eligible dependant(s)' and/or your estate. An eligible dependant includes:
 1. **Your spouse** (including a person who, although not legally married to you, lives with you on a genuine domestic basis as a couple or in a relationship that is registered under certain state or territory laws, as the case may be),
 2. **Your child** (including an adopted child, a step child or ex-nuptial child including adult children whether or not financial dependant on you),
 3. Anyone with whom you have an **interdependency relationship** at the time of your death (refer to the 'What happens when you die' or the 'Estate planning' section in the relevant PDS or AIB for more information),
 4. Any other person **financially dependent** on you at the time of your death.
- An assessment of whether a person is an eligible dependant at the time your death is based on evidence subsequently supplied to the Trustee.
- You should ensure that your death benefit nomination is kept up to date as your circumstances change. These circumstances may include divorce, marriage, the birth of a child, the death of a nominated beneficiary and other changes in your personal circumstances. If in doubt, contact your financial adviser.

Confirm an existing binding death benefit nomination

- A binding death benefit nomination can only be confirmed before it expires. If it has expired, you will need to make a new binding death benefit nomination.
- Once a valid confirmation is received from you, your nomination will be valid for three years from the date the form is signed. You do not need a witness to confirm.

Revoke a current binding death benefit nomination

- If you are revoking your current binding death benefit nomination, you must sign and date the investor declaration section in the presence of two witnesses. Each witness must have turned 18 years of age and neither of them can be a beneficiary under the nomination being revoked. Each witness must also sign and date the witnesses' declaration section. You will then no longer have a valid nomination and the revoked nomination will not be taken into consideration by the Trustee when making any death benefit determination.
- To replace existing binding death benefit nomination, simply make a new binding death nomination. Your current nomination will be revoked upon acceptance of the new binding death nomination.

Checklist

- ☐ Ensure the total nomination allocated to your beneficiaries and/or estate equals 100% (otherwise the request will be invalid).
